### Philosophy:

**Vienna** – worldwide famous for magnificent sights, incomparable charm, Viennese cuisine and nostalgic horse-carriages, the so-called Fiaker... our Riding Dinner team combines all this in an unforgettable way for your perfect Vienna experience.

**“The true value of a moment is recognized when it becomes a memory.”**

### How it works:

Depending on the package you booked, the food and beverages will be served directly into the horse-carriage at arranged stops during your sightseeing tour. Our attentive butler-service, as well as the carriage with a specially built table and unique glass-holders contributes to your perfect comfort.

Our widely ranged offer is not imitated to our "culinary horse-carriage rides". Certainly we combine our rides with a visit of a museum, a Get-Together, Aperitifs or enclosed meetings & events at one of our cooperation-partners, or simply with your individual desires and ideas.

**With or without horse-carriage:** Together with our partners of Culinary Sightseeing ([www.culinarysightseeing.com](http://www.culinarysightseeing.com)) we also offer culinary walking tours to secret places from 2 to 60 persons.

While working out our offer we of course take care about your desires, needs, allergies or any other concerns. The Riding Dinner Team loves to consult you personally and without obligation at any time!
